

NEW TO CANADA? FREE PROGRAM

Bridge to Work in Community Services

Are you new to Canada, love working with people, and want to learn about jobs in community services?

- Use your skills and training to enter the Canadian workforce
- Understand different jobs in Community Services
- Build employment skills
- Network with local employers

Program and courses include:

Career Pathways & Awareness

- Understand the different roles and jobs in the sector

Ready to Work

- Build your resume and employment skills

Placement Seminar

- Get prepared for your placement
- 100-hour volunteer placement

This part-time program is for you if:

- You are a permanent resident of Canada or a protected person (with Notice of Decision)
- You have current proof of Canadian Language Benchmark level 7 assessment
- You have Canadian postsecondary equivalency: two-year college diploma or greater

Register for an information session this July to begin class online in September!
