CAP
debt help

FREE help from a national charity

Home visits

After you call CAP, a Debt Coach and Support Worker from the local CAP Debt Centre will visit you in your own home.

An effective budget

Our trained caseworkers then work out a realistic budget for you, negotiating affordable payments with each creditor.

CAP Plan

You will get a free CAP Plan. You make regular payments into it and CAP will then distribute these payments on your behalf.

Severe debt

If you are in severe debt then we can support you through insolvency options.

Debt free

You use your CAP Plan to pay your bills and debt repayments and you will be supported by CAP until you are debt free.
