

# OSSTF DISTRICT 21 STATUS OF WOMEN INTERNATIONAL WOMEN'S DAY DINNER

Thursday, March 4th, 2021      5:30 - 7:00 p.m.

*#ChooseToChallenge*

Choose to challenge  
gender bias and  
inequality.

Please join us for a virtual gathering where together we will celebrate International Women's Day. As women, we are the weavers of our community fabric, and we all benefit when we can be together to share conversation, purpose and friendship. We would be honoured to share this time with you, and together we will choose to challenge and call out gender bias and inequity. We will choose to seek out and celebrate women's achievements! Although we are not able to gather in person, we will create our own space to be inspired, share laughter and commit to affecting change for women around the world!

Our keynote speaker, **Dr. Melanie Heath, Associate Professor/Graduate Chair of the Dept. of Sociology, McMaster University**, will be addressing the topic of *"Taking Measure of Gender Inequality in the Times of COVID-19"*.

We also welcome vocalist Heidi Lange, Spoken Word Artist, Nea Reid and Erin Newton-Yuellett of The Wellness Garden blog.

**\*A \$40 dinner allowance will be approved for the night  
of the event once attendance is confirmed \* \*\*DOOR PRIZES!\*\***
