

You want a way forward, we know **IT**

Take a look at tech! Your way into a new, in-demand career!

NPower Canada will be joining us to talk about their technical training programs for young adults, ages 17-30. In 15 weeks, learn and earn a tech certification through one of their programs. Start a new career!

**Junior IT Analyst | Junior Data Analyst | Junior Security & QA Analyst**

Their next programs start in September 2021. Join us to learn more!

**Register today for free!**

**September 9, 2021 at 1 pm EST**

PATH Employment Services registration can be found on Eventbrite here: <https://path.eventbrite.ca/>
