

NEW TO CANADA? FREE VIRTUAL PROGRAM

Bridge to Work in Community Services

Are you new to Canada, love working with people, and want to learn about jobs in community services?

- Use your skills and training to enter the Canadian workforce
- Understand different jobs in Community Services
- Build new employment skills
- Network with local employers

Program and courses include:

Career Planning:

- Understand different roles and learn about common disorders

Ready to Work:

- Familiarize yourself with Canadian workplace culture and communication

Placement Seminar

- Build your resume and employment skills
- Get prepared for your placement
- 100-hour volunteer placement

This part-time program is for you if:

- You are a permanent resident of Canada or a protected person (with Notice of Decision)
- You have current proof of Canadian Language Benchmark level 7 assessment
- You have Canadian postsecondary equivalency: two-year college diploma or greater

Program length: 6 months, January 2022 – July 2022
