

NEW TO CANADA? FREE PROGRAM

Accessing the Technology Job Market in Ontario

Occupation-specific Language Training (OSLT) Technology

This 40-hour online course will help you to:

- Conduct research related to your job search, such as labour market trends, occupational requirements, pathways for working in your occupation and networking opportunities.
- Analyze job ads to better understand what employers are looking for and how to tailor an application.
- Describe your professional experience and present your knowledge and skills effectively.
- Create a plan for moving forward in a job search.

Online class schedule:

- From January 17 to February 27
- Wednesdays from 7 pm - 8 pm

All OSLT graduates will earn a Mohawk certificate.

This free course is for you if:

- You're a permanent resident or a protected person living in Ontario.
- Your English is at an intermediate level (Canadian Language Benchmark 6 - 8).
- You have training or experience in: architectural technology, engineering or information technology.
