

NEW TO CANADA? FREE PROGRAM

Workplace Preparation

Learn skills and techniques that will help you overcome common barriers faced during the job search in Canada.

In the program we will:

- Develop strong professional communication skills.
- Expand your understanding of Canadian workplace culture.
- Use LinkedIn to build your professional network within your field of interest and access the hidden job market.
- Develop strong interview skills that highlight your transferable skills from another country.
- Earn micro-credentials to demonstrate to employers that you're job-ready.
- Connect you with a mentor to help you move forward with your career in Canada.

Eligibility:

- You're a permanent resident of Canada or a protected person,
- With current proof of Canadian Language Benchmark level 7 or higher
- With international education and relevant work experience.

There is a new intake every six weeks. Online delivery.
