

WELCOME TO OUR

Monthly Newsletter

Last month, we successfully held our second annual HamOntYouth Summit presented by RBC and Alectra!

Highschool students from all over Hamilton came together for a day of connection, learning, and leadership development.

We are thrilled to have presented Salsa Sarhan, a former Youth Engager, with the first ever HamOntYouth of the Year Award. She is recognized as an outstanding advocate for youth in Hamilton, as well as a leader, a motivator, and someone who brings her passion for community to everything she does. Once an Engager, always an Engager. Congratulations Salsa!
