

Subtraction by Grouping 10s

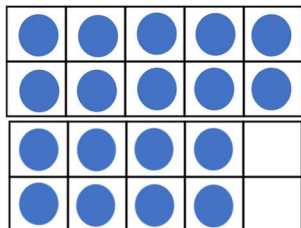

Use 10 frames to help you subtract numbers over ten.

First, visualize the group of tens and ones in the ten frames.

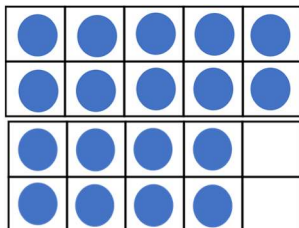

Next, cross out dots that you need to subtract.

Finally, count the number of dots left for the final answer.

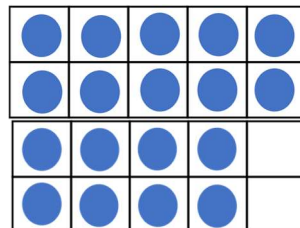

$18 - 6 =$

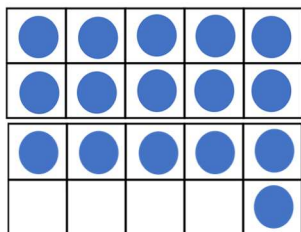

$18 - 4 =$

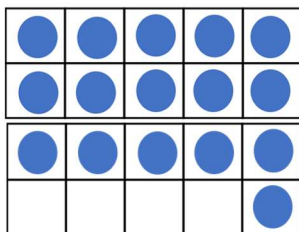

$18 - 8 =$

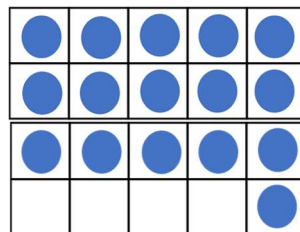

$16 - 6 =$

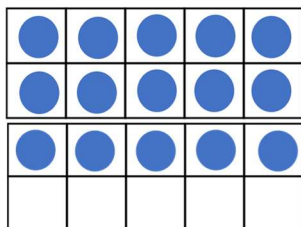

$16 - 2 =$

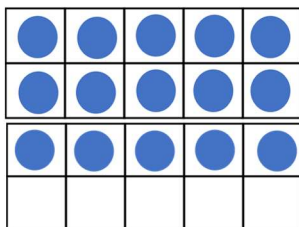

$16 - 3 =$

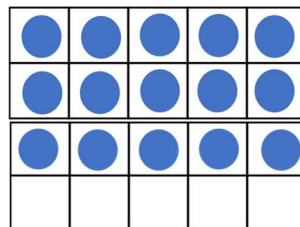

$15 - 2 =$

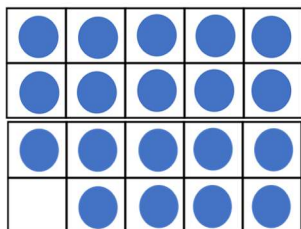

$15 - 1 =$

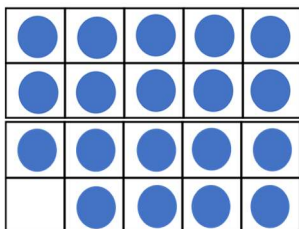

$15 - 5 =$

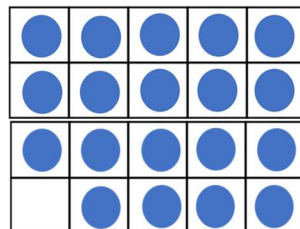

$19 - 4 =$

$19 - 5 =$

$19 - 9 =$
