to celebrate the final days of the school year!

Activities for Junior French Immersion Students

Monday June 28th

Tuesday June 29th

English Instructions: Draw a map of your school and label the different spaces. Be creative!

French Instructions: Dessinez une carte de votre école et étiquetez-les différents espaces. Soyez créatif!

English Instructions: Pretend a new student just arrived at your school and you have been asked to give them a tour of your school. You can use your map you created yesterday to provide instructions on how to get around.
