

# HOW TO MAKE A PAPER SNOWFLAKE

## STEPS

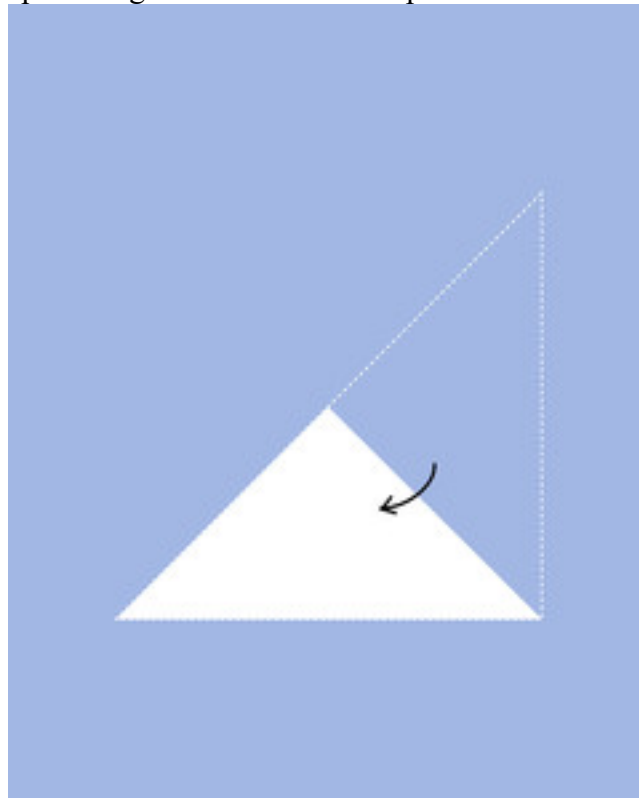

Start with a square piece of paper.

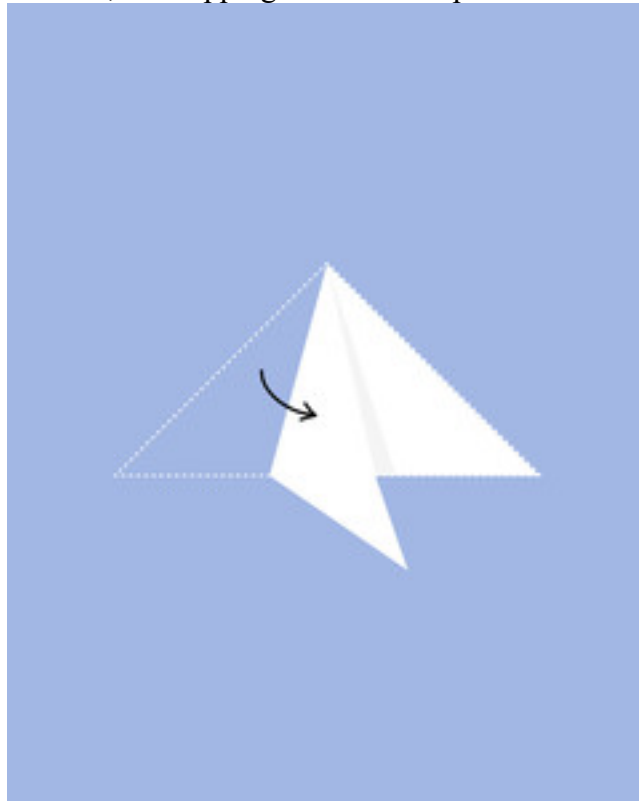

Fold paper in half diagonally to make a triangle.

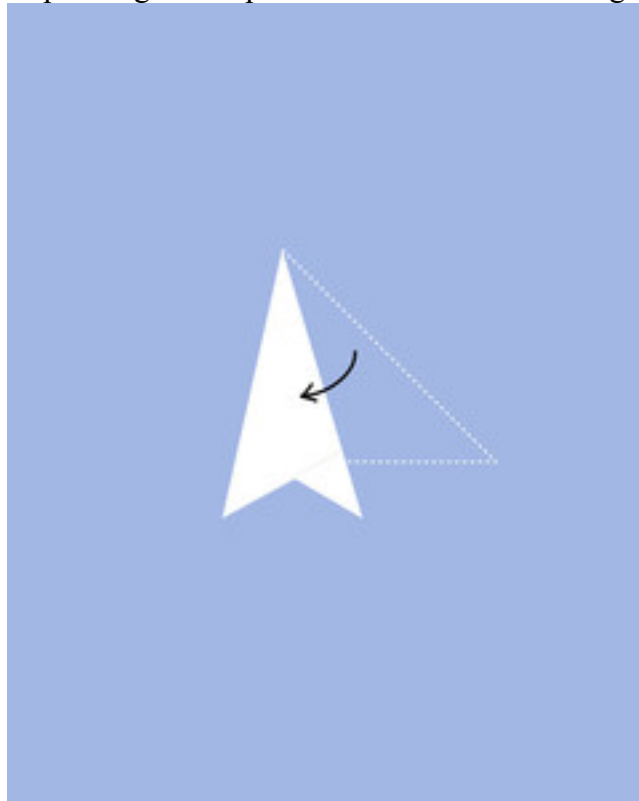

Fold paper triangle in half so that the pointed corners meet.

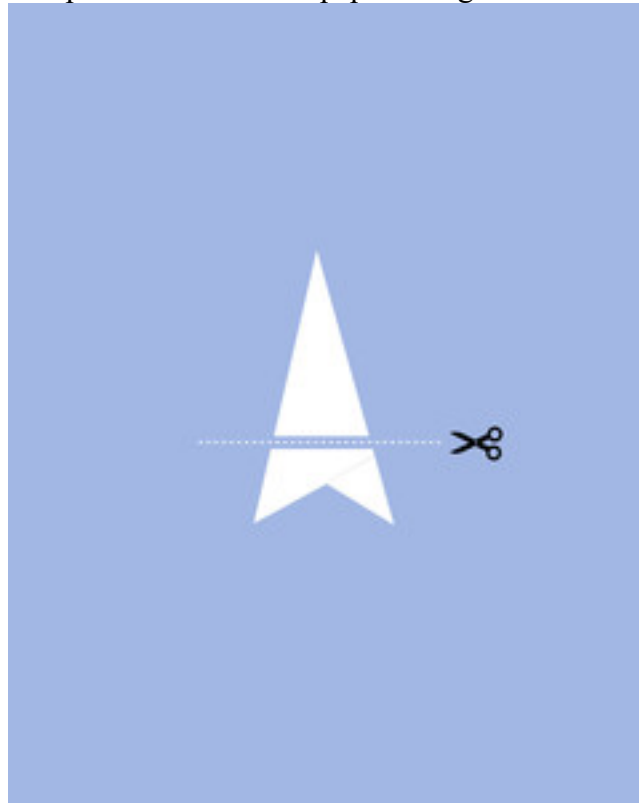

Fold paper triangle in thirds, overlapping the left hand pointed corner over the triangle.

Overlap the righthand pointed corner over the triangle

Trim the pointed ends so the paper triangle looks as shown.

Cut your folded paper with variations of cut outs. (Tip: The ones with straight lines are easier to make than the ones with curvy lines)
