

Write the Words

1. a) Read this story.

Danny likes to read about animals, so he was happy when his class went to the fall fair. Inside a big barn they saw lots of cows and pigs. They also saw six or seven black horses. The cats and dogs had a special building of their own.

On the way back to school their bus stopped at a park so they could eat lunch under the trees. Danny said it was a really good trip!

b) Look for the list words in the story.
Write the words in your notebook.

2. Write the five list words that mean **more than one**.
3. Write the three list words with the long **e** sound as in **me**. Circle the word with long **e** spelled **ee**. Underline the words with long **e** spelled **ea**.
