

## Green Beans

Green beans, mean beans.  
Yucky, blucky jean beans.  
Green beans, lean beans,  
Stinky, mushy, queen beans.  
Green beans, keen beans,  
I don't want my green beans.

Beans are smelly,  
Beans are yuck.  
Beans are stupid,  
Beans are muck.

Stinky, inky green beans.  
Linky, dinky green beans.  
Can't get down till I eat those beans!  
Might as well give them a try.

Chew, chew, swallow.....  
"Mom! Can I have more beans?"
