

My Doggie

My doggie is my best friend.
He's loves to run and play.
My doggie is my best friend.
And he is here to stay.

He runs and plays and chases balls.
AT catching balls he's the best.
He rolls and fetches ,sits and speaks.
He's better than the rest.

My doggie is my best friend.
I'll say it every day
My doggie is by best friend.
And he is here to stay!
