MAY 2024 INTAKE STILL OPEN!

Our May 2024 intake is still open for applicants!

Why join us in May?

- May intake tends to be lower in class sizes (our max is 25 but we average 10-15 in Spring/Summer)
- May intake is at a less busy time on campus. Those with more anxiety in large groups get used to a quieter campus and learn to navigate before the business of September.
- There are still breaks! Although this intake goes right through until the end of August 2025, there are about 3-4 weeks at the end of each semester as well as reading week in each term.
