Instructions:

1. Begin at hwdsb.on.ca
2. From here, click Student
3. You will be directed to student.hwdsb.on.ca
4. Click the button *The Hub*
5. Students will need to Sign in with their username (first initial, last name followed by 4 numbers, @hwdsb.on.ca)
6. Students will be prompted to enter a password, then click sign in
7. When students log into the Hub, they will always be directed to their school home page
8. To access any active courses, students click the *Waffle* (it's the course picker and looks like a grid, it's at the top of the page)
9. Students click the course, [Library 101 Learning Commons](#), [Mountain View Public](#)
10. From here, students click the large blue button [HWDSB Virtual Library](#)
11. Students have access to the many online sites, such as Britannica, Pebble Go, Learn360, Tumble Book Library, just to mention a few.
12. Now that students are logged, they can go back to the student home page and access *Google Suites*, or my blog (click the button *HWDSB Commons*). *They do not need to log in again.*
