'Our 2023 - 2024 Journey'

A FEW WORDS FROM OUR PRINCIPALS

Our memories suffer from recency bias - that tendency to remember or focus on just what is on our current or very recent radar. The benefit from a yearbook like this is that we can be reminded of all of the highlights of our journey this year. Thank you so much to the students and staff who have served all of us by compiling this visual walkthrough of 2023-2024.

We have had celebrations and successes that were both individual and collective. We experienced these with joy and class. We have faced challenges and obstacles - some that were shared and others that you met on your own path. We grew from these with both resilience and positivity.

Seeing the year in a glance in a book like this makes me feel so humble and proud that I get to share my Bernie journey with the students and staff here at Custis.

Thank you for a great year Tigers! I hope this review stirs in you some enthusiasm for your past, but also sparks some excitement about the adventures that lay ahead.

Mr. Powell

Congratulations to the Bernie Custis Class of 2024! I have been honoured to be a part of this amazing school community. As the 2024 class, you are part of a unique group of individuals who have distinguished yourselves as caring, inclusive, and driven. I trust that you feel prepared to face your future with confidence, curiosity, and with an open heart. I wish for you a future that is filled with endless possibility. May you always know that you matter, that you belong, and that you make a difference!

Ms. Brodersen

Dear BCSS Students,

I want to take a moment to congratulate each and every one of you for your hard work, dedication, and achievements.

I also want to extend a heartfelt thank you to our incredible staff. Your passion for teaching and unwavering support for our students is truly inspiring. Without your dedication, none of this would be possible.

To our athletes, I say, "Go Tigers!" Your hard work and sportsmanship have been a shining example for us all. Your dedication to your sport and your team has not gone unnoticed, and I am so proud to cheer you and your coaches on.

I also want to recognize and thank all of our students and staff advisors for your contributions to our school community. Whether it's through the arts, student council, the health action team, positive space, robotics, or any other extracurricular activity, your passion and creativity have helped make our school a better place.

I am so grateful to be a part of this amazing community, and I look forward to seeing all that you will accomplish in the future. Have a safe and wonderful summer, and remember, Go Tigers!

Warm regards,

Ms. Boulton

As the 2023/2024 Academic Year comes to a close, we have much to celebrate here at Bernie Custis Secondary School. As your Vice Principal, I have been very fortunate to experience all the things that make our school a truly wonderful community. No doubt, this Yearbook will provide a capsule in time, allowing you to revisit and share your memories for years to come.

From our first Welcome Back assembly in September to your late nights studying for your tests or in the gym cheering on our "Tigers" as they competed at the highest level, you have shown your adaptability and perseverance in all that you do.

To our graduates, there are no secrets to success, but it is a result of preparation, hard work, and learning from failure. As you move on to your next opportunity, use those skills to achieve all your goals.

Remember, "Once a Tiger, Always a Tiger!"

Wishing you all the best.

Mr. Vacca

A Few Poems from the Poetry Club

Innocence

By Peyton Sears

The sky is all dark and gloomy
Where did all the time go
She was just a child
Harsh people in this angry world

And yet time has to go
The flow can't be fixed
The harsh people will always be angry in this world
They pry and nag at the poor child

Although the flow can't be fixed
She remembers it all at once
The prying and making that the poor child experienced
They were mad in their own lives therefore they had to make hers worse

Senior Year

By Zoe Machin-Moore

no one warned me how fast four years can fly by
we roamed these halls
that looked so dull
they seemed to trap us in
as we begged to be set free
we walked to classes not realizing we were grown
I cherish all these memories
the struggles we've been through
the laughter we felt
the awkward moments
and the quiet long stares.
the friends we made along the way will last a lifetime
so here's to your last year
with your friends
and those who walked these halls with you

Water-Coloured Eyes

By Ruby Omokhafe

Every person comes with an eye colour
The most common coloured eyes are
Earth coloured eyes
Charcoal coloured eyes
Plant coloured eyes
and water coloured eyes.
Every colour of eyes is special and cherished
but there is something
uniquely mesmerizing
in the water-coloured eyes.
The serene effect
similar to that of water
the clarity
the purity entrance to the soul
which sometimes
may be misleading
but overall
eyes as heavenly as the water-coloured eyes
are an asset that
the beholder should be proud of
although we are all just human
we make mistakes
some more tragic than others
but overall
the power the water-coloured
isn't one greater
than any other eye colour
it's just another unique nature mystery.

Animals

By Rose Griffiths-Bradbury

I wish I was a bird.
Free to fly away.
I wish I was a lamb.
Innocent and young.
I wish I was a fox.
Sly and quick.
I wish I was a chameleon.
Able to blend into the background.
But if I were any of those I'd probably wish to be a human
Complex and not able to be summed up with just a few words.

Mr. K: A Badminton Legend...

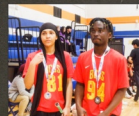

The Badminton Team would like to send a huge THANK YOU to Mr. K.

Mr. Keopapant spends countless hours sharing his love of badminton with so many students at BCSS. If you've ever walked past the gym, you'll find him with his trusty racquet in hand, challenging each and every student who dares to play him. The gym is packed Fridays after school for Badminton Club: sometimes there are as many as 100 kids in the gym playing for hours. Graduates return years later to continue their pursuit of scoring even a single point against Mr. K.

This year's teams were incredibly successful with many City Champions and Finalists then SOSSA Champions and Finalists. This year we had six seniors qualify for OFSAA in Barrie. This was Mr. K's 15th trip to OFSAA during his teaching career. That's an incredible accomplishment for any coach at HWDSB.

We THANK YOU for all the time you spend with kids in gym class, badminton class, Badminton Club, and all the badminton teams! The countless hours you've given are so greatly appreciated! Thanks, Mr. K!

Differently

By Caitlyn Lee

The days that go on hit differently each day

One day

I'm surrounded by love and another day

chaos

it hits different concealing your eyes

so it doesn't look like you've cried

it also hits different when you laugh with the

people you love

and I can go on and on

the list of things that hurt me

and I can pluck petals off of roses

hoping that one petal someday says that he

loves me

and I can get all dressed up

hoping someday someone will notice me

and I look at the stars and count them each day

hoping that the number will share that hope for

that day

and when I get a little number

I stay in bed

hoping that nothing bad will happen in my head

and these are all hopes I wonder if they will ever

come true

so with my bouquet of roses

and the starry nights

my concealer in hand

and my fancy clothes

I wonder how much more will I have to endure

How much will I have to take

Before I realize I'm more than petals on roses

and stars in the sky

and concealers to show I will not cry

And skin tight clothes that reveal I'm nothing more than a runway show

Congrats Graduates!
