- C# sharp is also known as Bb flat! So the C# that is in the 3<sup>rd</sup> bar is played as a Bb!
- High E is played by rolling back your thumb on a regular E note.
- Any note that has a line or tie joining to another note is played together. So if you have a half note tied to a quarter note you play the note for 3 beats.

- Make sure to breathe after every 2 bars.
- Listen to the song on the internet and get it into your brain!
