

Dear Families,

Attached you will find a paper bag that your child has decorated as their Halloween/orange and black spirit day treat bag! To be mindful of different allergies and dietary needs in our classroom, we are requesting that you help your child to fill their individual treat bag with a snack/drink of their choice instead of bringing a group treat to share with the whole class.

****Please have your child bring their filled treat bag for our party day on Tuesday October 31st****

Thank you for your participation in this fun day ahead!

~ Mrs. Hoy
