

Grade 8 Systems in Action Unit

Table of Contents

[illegible]

Grade 8 Ancaster Meadow Science Notebook Expectations

All notes and worksheets should be included in every unit

All pages should have a date and a page number on them

All pages are listed in the Table of Contents for that unit

All worksheets and questions are complete and correct

No doodling or idle written marks are to be included on worksheets

Neatness is important and should be attempted as much as possible

RUBRIC

Criteria	Level 4	Level 3	Level 2	Level 1
Up to Date	Table of Contents is up to date with nothing missing	Few pages missing or not updated – mostly done correctly	Some effort to update Table of Contents	Table of Contents is largely incomplete /missing
Complete	All pages of work or notes are complete with nothing missing	Mostly complete with few exceptions	Some pages missing or incomplete	Many pages missing or incomplete
Organized	The date is on each page and the pages are numbered	Few dates or page numbers missing	Some dates or page numbers missing or out of order	Date is missing from pages and/or pages are missing
Neat	The notes are well organized, legible easily understood	Quite organized but may have one or two errors or mistakes	Some effort to make notes readable	Illegible and disorganized work
