	Low range	High range	Low range	High range
Tuition Fees	5000	20000	2500	6000
Books and Supplies	1000	2000	500	1500
Accommodation	5000	15000	5000	10000
Food	3000	5000	2000	4000
Transportation	500	2000	500	2000
Health Insurance	600	1500	600	1500
Personal expenses	2000	4000	1500	3000
Total	17100	49500	12600	28000

Do you think the costs of this would be higher for someone not in school?

What is different about doing an apprenticeship in the skilled trades?

Apprenticeship allows you to get paid and there is now a lot of financial support.

Answers will vary. Usually same because no expense for tuition but no hope to get a better career.
