

Dear Grade 1 Families,

I just wanted to check in to see how you and your family are doing during this difficult time. Please know that I am thinking about you and truly miss all of the students.

If you are not already aware, the Ministry of Education has set up a “Learn at Home” website. Here is the link: <https://www.ontario.ca/page/learn-at-home>

As HWDSB continues to create an online education platform, it is important for them to know who has access to a device, as well as internet access. Please send me an email to let me know either way.

As I get more information, I will pass it your way. In the meantime, please don't hesitate to contact me if you have any questions and/or concerns.

Stay safe and healthy!

Take care,

Kelly DiCecca
