

Our Earth

The earth is ours to enjoy
for every girl and every boy.
Yet we must always be aware,
that all earth's beauty we must share,
with all the children yet to come
who want to play, skip and run.

So we must keep our planet free
from dirty trash and debris.
With air that's clean, fresh and clear
for all to breathe from year to year.
We must remember not to abuse
our sweet earth that's ours to use.
