

Astronaut

Tell me, where have you been
Astronaut, astronaut?
Tell me where have you been?
In a rocket?

I have landed on the moon,
And I may return there soon
With a space station
That will help me dark it!

Tell me what do you do,
Astronaut, astronaut?
Tell me, what do you do
In your rocket?
I took a picture of the stars,
And the craters found on Mars.
And I brought home some moon rocks
In my pocket!
