Welcome to Distance Learning

With Mr. Minich

Weekly Schedule

Literacy:

- **Epic Reading/Quizzes and**
- **Activity: What are you up to?**

Math:

- **Splash Learn: Focusing on Measurements and Addition.**

Science:

- **Mystery Science: Activity #1**

HWDSB Catalog Apps for E-Learning:

- **Epic, Book Creator, Teams (MS), Web Browser, Splash Learn (Splash Math)**

Literacy: Reading, Writing, Media

1) EPIC! Reading:

- Read the following stories and take the Quizzes: "Kitty and Dragon Book 2: Kitty Gets a Cold" and "The Immune System"
- For Lily: Read "Sid the Science Kid: Trouble with Germs"

How to Access Epic:

1. Go to: <https://www.getepic.com/> or Click on Epic! App.
2. Click on Log in, then go to students & educators
3. Class Code: hii4039

2) Activity: What are you up to?

Introduction: Wow! It seems as if our lives have changed overnight! The COVID-19 virus has caused all Canadians to have to make many adjustments and changes to their everyday life!

Objective: Students are to explain how they have been spending their time at home. Students can type their responses, write their responses on paper, make a video explaining their day, record their voices, or use apps such as Book Creator and Toontastic 3D to communicate.

- What does your morning routine look like? What do you do in the afternoon? How do you spend your evening? What games, hobbies and activities have you been doing? Anything else you wanted to share?

Mathematics:

Splash Learn will be used this week

- This week we will be focusing on Measurements and Addition
- Students are to work on Math for approximately 2.5 Hours a week
- Splash Math has recently been updated

How to Access Splash Math:

1. Go to: <https://www.splashlearn.com/>
2. Click on CLASS
3. Enter Class Code: RJODMU
4. Student Passwords: PDF available on the Blog

Science:

Mystery Science Activity #1

1. What are some tips to help fight germs? VIDEO!

- <https://www.youtube.com/watch?v=H2Qj0Nd4RIU&t=53s>

2. After watching the video answer the following questions (may be typed, written, recorded etc)

- What are two animals that sneeze?
- What is the best way to cover a sneeze if you do not have a tissue?
- How long should you wash your hands for?
- What parts of your hands do we often forget to wash?
