

MAC iSTEP

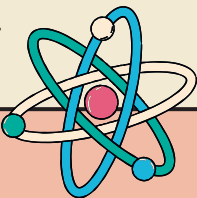

RETURNS IN FEBRUARY 2024

Mac iSTEP is an After-School STEM Club for Black high school students. Students in grades 10-12 come to McMaster Campus to engage in STEM workshops and gain professional development skills.

iSTEP Students get to:

- Gain volunteer hours
- Meet Black professors, STEM professionals and new friends
- Visualize themselves as University students
- Participate in hands-on science experiments

All expenses are covered by Mac iSTEP, including snacks and transportation!

To be eligible for the After-School STEM Club:

- Be a Black-identifying high school student
- Be in grades 10-12
- Be in the Halton or Hamilton Wentworth Districts
