

Attention Grade 11 SHSM Students!

Use this info as you complete your Course Selections for next year

SHSM Course Pathway Charts can be found on [XELLO](#) at the bottom of the homepage in "[Links and Resources](#)"

If you have started your SHSM Pathway, you should be using the SHSM Pathway Charts to keep track that you are completing the requirements necessary for your SHSM Diploma!

Grade 11 SHSM students are encouraged to use the SHSM Pathway Charts to help with course planning for their

SHSM students need to complete their SHSM Program requirements before they graduate

*Students can only complete 1 SHSM Pathway

In addition to the required Course credits and Co-op, this includes: SHSM certifications, a Reach Ahead experience, Experiential Learning, and a Sector-Partner Experience

**This will likely include:
The Major Courses for your SHSM Pathway, a 2-credit Co-op, a senior math, a senior English, and an 'other' course**

-Your SHSM Lead Teacher will organize/facilitate all these experiences
-You will be excused from your regular classes to attend these events
-There is no cost to attend these events
