

# How to make Tic Tac Toe from Stones

# What you will need

## Materials:

- 1 large flat stone
- 10 Small flat stones
- Paint marker or Paint and paint brush

# Step One

Go for a walk to collect the stones you will need.

Tip: When choosing stones make sure you can fit 9 of the small stones on top of the large stone, as shown.

# Step Two

Using the paint marker, draw an "X" on 5 of the small stones and an "O" on the remaining 5 stones.

# Step Three

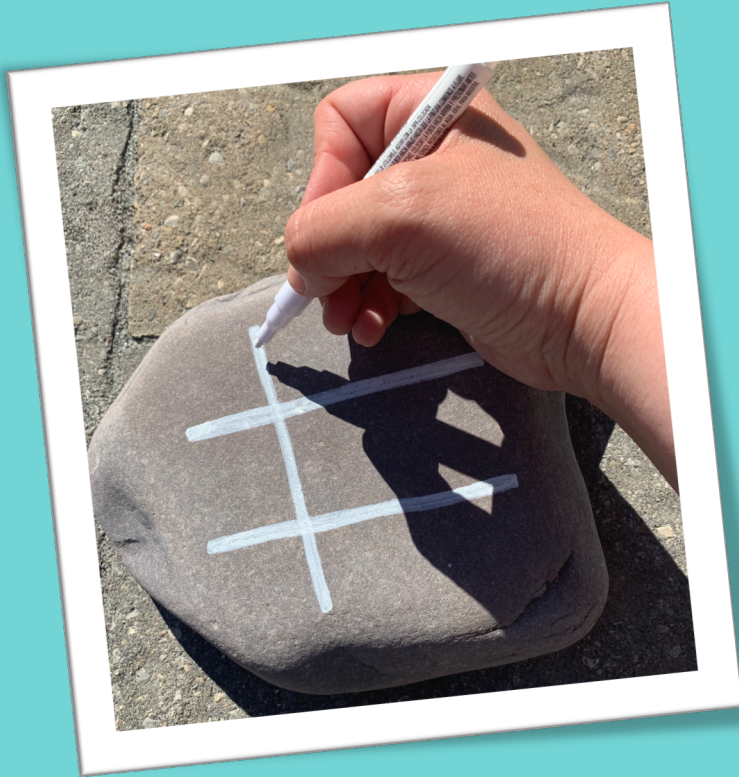

Using the paint marker, draw two evenly spaced vertical lines.

Tip: Place the small stones to the large stone to estimate approximate distance between the lines.

# Step Four

Using the paint marker, draw two evenly spaced horizontal lines.

# Step Five

Decorate any empty space you have using words or pictures.

# Step Six

Find a partner to play with and have fun!
