Five Little Bees

1 little bee flew and flew,
He met a friend and that made 2.

2 little bees, busy as could be,
Along came another and that made 3.

3 little bees, wanted one more,
Found one soon and that made 4.

4 little bees, going to the hive,
Saw their brother, and that made 5.

5 little bees working every hour,
Buzz away, bees, and find another flower.
