# Summer

by: Nicolette Lennert

Summer, summer  
Time for fun  
We run all day  
in the hot, hot sun

Summer, summer  
Jump in the pool  
Eat a lot of ice cream  
to keep cool

Things I see and/or do in KB!

<b>Always</b>	<b>Sometimes</b>	<b>Never</b>
Learn	Go to gym	Have real wild animals in the classroom
Eat lunch	Do brain work with Mrs. Murray	Ride bikes in the classroom

<b>Possible</b>	<b>Impossible</b>
You will see a squirrel outside on a walk today	You will see a real unicorn outside on a walk today
You will go to the grocery store this week	An elephant will hatch from an egg

<b>Certain</b>	<b>Likely</b>	<b>Unlikely</b>	<b>Impossible</b>
There will be animals at the zoo	We will see clouds in the sky	You will catch a butterfly with a net on the first try	A rhino will come to your house for dinner
It will get dark tonight	You will read a book this week	You will loose two teeth at the same time	

These words can be tricky! Some things that are likely for you, may not be likely for someone else. FOr example, Bella Rose took the bus to school, and Anouska walked, therefore it would be likely that Anouska would walk to school, but unlikely for Bella Rose.

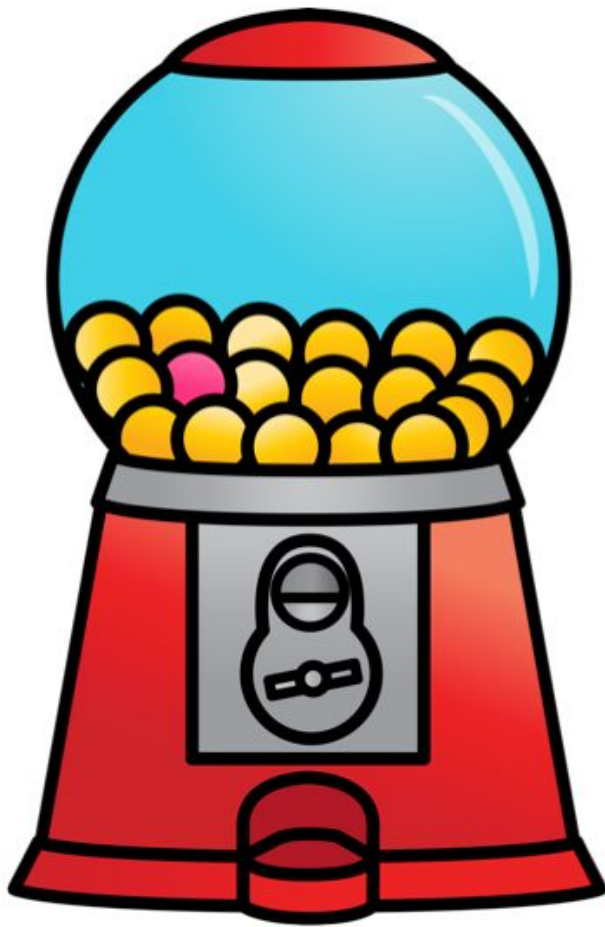

Look at the gumball machine and fill in the blanks.

It is **certain** that we will get a

It is **likely** that we will get a

It is **unlikely** that we  
will get a

gumball.

It is **impossible** to get a

gumball.

It is **impossible** to get a
