

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Sound of the week /th/ Practice this sound everyday!</p>	<p>What words can you think of with this sound? Talk about or write 5 words with this sound and include a picture.</p>	<p>Do you know what animal has the strongest bite force of any mammal? Find out here! https://www.youtube.com/watch?v=8mJc7WA7xDU&feature=emb_log</p>	<p>What do you love most about yourself? We are all so special in our own ways. Write down or talk about the very many ways you are special and how those special features make you, you! Read the "All of Me" poem</p>	<p>Read a book or log onto Raz Kids. Talk or write about your favourite character in the story. What do you like most about them? What do they do in the story that you like? How can you relate to them?</p>
<p>What questions can you ask that can be answered through data collection (what is your favourite? How many pets do you have?) Think of questions you can ask family members and friends at your home or over Facetime.</p>	<p>Have a look at the "Favourite Pet" graph that I did with my family. What information can you tell from this graph? How many people liked each animal? Which one was the most popular? Which one was the least popular? How many people did I ask in total?</p>	<p>Ask your family what their favourite pets are, or think of another question you can ask them. Record your results and share them with us on the blog!</p>	<p>We can also graph information we want to know. Kylee poured a small bowl of cereal. She wanted to know how many of each piece she had in her bowl. She graphed her cereal. Look what she found</p>	<p>Math Scavenger Hunt!</p>

	Do this with your family and record your answers or choose another question to ask!

th

th th (Tune: Did You Ever See a Liddle? Track 33)

Did you ever hear
a rude clown
make this sound
and that sound?
Did you ever hear
a rude clown
say /th/-/th/, /th/-/th/?

 **Action:** Pretend to be a rude clown and stick out your tongue a little for *th* (as in *th*), and further for *th* (as in *th*um).

All Of Me

My hands are for clapping

My arms can hug tight

My fingers can snap

Or can turn on the light

My legs are for jumping

My eyes help me see

This is my body,

And I love all of me!

Favourite Pet

Puppies +++++ IIII

Fish IIIII

Cat IIII

Math Scavenger Hunt

1. Find something that has numbers on it.
2. Find something that is round and something that is square.  
3. Find 5 things that are the same.
4. Find one thing that is small and one thing that is large.  
5. Find something that is taller than you are.
6. Find something that is shorter than you are.
7. Find something that tells time.
8. Find three 3D items that you can stack.
9. Find something that you can roll.

1 2 3 4 5 6 7 8 9 10
