

On Friday, room 213 is having its year end party. During the last two periods of the day, we will watch a movie and stuff ourselves with snacks. This day has been designated as one of the days in which the nutrition policy is suspended, so please send in food for the celebration. Please note that we are a “Nut Free” school, and we do have a student with allergies in the class. Things that go over well include pop, chips, nut free chocolates, pizza and candies (no home-made items please).

Have a happy holiday.

Mr. Hayter
